

NORDIC CO-PRODUCTION FORUM 18th – 21st August 2010

We have the pleasure of inviting you to participate with your project in the 5th **Nordic Co-production and Film Financing Forum** under the 16th Nordic film market **New Nordic Films**, taking place during the 38th Norwegian International Film Festival in Haugesund.

The goal of Nordic Co-Production Forum is to support the producers of feature-length fiction film projects that contain a link to the Nordic regions. Qualifying features will be produced or co-produced by a country in this area or are movies that contain story elements based in this region.

Production companies in the Nordic countries, Austria, Canada, Germany and Switzerland may submit their feature film projects to be considered for participation. Producers from other countries may also apply with a film project if it has a link to the Nordic countries either in story or by actively seeking a Nordic co-producer.

If you, a producer from outside Norway, are attending the Nordic Co-Production Forum, we also invite you on a location tour through the surrounding area in fast boats and helicopters to show you some of the great diversity we can offer productions. You will be served a delicious lunch in an extraordinary location, and we end the day with a gala dinner and the official opening of the Norwegian International Film Festival in Haugesund. If you choose to participate on this location tour, your stay in Haugesund will be extended with an extra day (18th – 22nd).
